It was standing room only in the cafeteria during Sing-A-Long.

This year our Sing-A-Long was led by Miss Campbell and Mrs. Chambers.

Parent-Teacher Conferences

Conferences were officially held on November 18th, 19th, and 20th. Hanks to our teachers who were willing to accommodate parents by scheduling their conferences outside of the "Conference Block" we were able to meet with 97% of our parents.

Title VII

The Title VII Parent Advisory Committee met on November 16th. We were pleased to welcome Chelsea Edwards and Brandin Smith as student members of the committee.

We also heard from the two new paraprofessionals the Interview Team is recommending for hire. Michael Rounds is excited about working with our Middle School students. He has previous experience working as an Indian Education Specialist with the Seattle School District. Desiree Freund shared her enthusiasm and plans for the program at the elementary school. She plans to bring in outside resources to enrich the cultural aspect of her program.

The PAC also formed three sub committees to focus on the goals for the year. Those committees are Parent Involvement, Student Recognition, and Cultural Awareness: Bridging the Gap.

The PAC will not meet in December. The next meeting will be January 19th at 6:30 in the Center Elementary Staff Room.
