

## **ANNUAL GOALS AND OBJECTIVES**

Each year the board will formulate goals and objectives. The goals and objectives may include but are not limited to the board functions or vision, structure, accountability and advocacy.

At the conclusion of the school year the board shall reflect on the degree to which the goals and objectives have been accomplished by conducting a board self-evaluation and engaging in board development activities where needed.

**High Expectations:** The Board will continuously articulate the belief that all students can learn and that each student's learning can improve regardless of existing circumstances or resources. The board will act as leaders of a vision of shared learning that is supported by individual schools and the community.
