Administrative staff is encouraged to be members of and participate in professional associations which have as their purposes the upgrading of school administration and the continued improvement of education in general.

Administrative staff is encouraged to be active participants in civic and service organizations in the community. The board of directors believes that the district will benefit from the participation of administrative staff in civic and service organizations in the community because of improved reciprocal understanding and communication between community leaders and district staff. This will lead to increased community support for the schools, school programs that are more responsive to the needs of the community and opportunities for cooperative support of school and community programs.

Membership fees, travel and meal costs attributable to an employee's participation in the following civic and service organizations will be paid by the district, subject to the restrictions of this and other district policies:

List the civic and service organizations for which the district will pay membership fees and ancillary costs here. The organizations must be specifically named in the policy and may only be added by board action.

The district will pay for participation in any given civic or service organization for no more than *insert the number of staff here* employees. (The number should be related to a considered judgment of the minimum number of memberships the district needs to pay for to receive benefit, not the maximum number of interested employees.) No district-paid multiple memberships are per-mitted unless the superintendent finds in writing that specific employees have a difference in perspective that will provide benefit to the district through their participation in the same organization. For instance, principals that represent various schools and attendance areas might all pro-vide benefit to the district by belonging to one community-wide service organization.

District payment of membership fees and related costs for participation in civic and service organizations is limited to staff in the following positions:

costs attributable to related meetings and the total costs attributable to this policy. Staff may be reimbursed for travel, meal or other appropriate expenditures related to district-paid

membership in civic and service organizations pursuant to Policy No. 6213, Reimbursement for Travel Expenses.
